

Behaviour Management Workshop

An interactive behaviour management workshop (3 hours) based on the Camp Winston Behaviour Management and Skills Workshop will be offered several times during 2009-2010 at a HANDS TheFamilyHelpNetwork.ca office near you. Why not participate in one?

What will the workshop provide?

The three hour workshop will provide practical skills and strategies to help parents and caregivers understand, decrease and respond to behavioural difficulties.

The interactive video format allows participants to learn behaviour management strategies, practice the techniques in the companion workbook and critique the exercises.

What will I learn?

Topics will include:

- Communication
- Setting Expectations
- Praising
- Correcting Behaviour
- Reflective Listening
- Recognizing and Responding to Challenging Behaviour

A participant workbook will be provided (\$2 per booklet is suggested to cover the cost)

Who should attend?

The workshop is designed for parents of and others who support children with neurological disorders (ADHD, Tourette Syndrome, Obsessive Compulsive Disorder, Anxiety, Mood Disorders, Learning Disabilities, Autism etc). It is however, **an excellent learning resource for caregivers of ALL children.**

This workshop is available for parents who have a child who is a registered client of any HANDS tfhn .ca programs or services.

How do I sign up?

To register, **the parent of a Hands client** should "sign up" (by providing his/her name, phone number and child's name) with reception at the office closest to them. Room will be limited, sign up early to avoid disappointment. In the event of workshop cancellation (due to weather, low numbers) efforts will be made to contact you at the number provided at the time of registration.
